

Hichem HAMMAMI

COORDINATEUR DE PROJET

Profil

Passionné par la gestion des technologies de l'information, je suis un professionnel expérimenté et polyvalent avec une solide formation académique. Évoluant dans le domaine depuis le début de ma carrière, j'ai occupé plusieurs rôles clés, démontrant à la fois ma capacité à gérer des entreprises informatiques prospères et à exceller dans des projets complexes en tant qu'expert technique. Actuellement, je suis engagé en tant que coordinateur de projet dans une maison d'édition française, où je mets à profit mes compétences pour assurer le succès des initiatives.

Expérience Professionnelle

Entrepreneur Indépendant, Computer Distribution & Services & Click Informatique

FÉVRIER 2018

As an Entrepreneur Indépendant, I successfully managed and operated my own business in the computer distribution and services industry. I developed and executed business strategies, secured contracts with clients, and provided excellent customer service. I also managed a team of employees, overseeing their work and ensuring the smooth operation of the business.

Coordinateur de projet, Maison d'édition française

FÉVRIER 2024

As a Coordinateur de projet at Maison d'édition française, I am responsible for coordinating and managing projects from inception to completion. I ensure that projects are delivered on time, within budget, and meet the desired objectives. I collaborate with internal and external stakeholders, manage resources, and mitigate risks to ensure project success.

- Coordinate and manage projects from inception to completion.
